WORKING PAPERS

Job Market Paper: “*Why Don’t Farmers Buy Insurance? Estimating Competing Models of Agricultural Insurance Decision-Making.*”

I structurally estimate competing behavioral models to explain why small-scale farmers in China underutilize insurance products. I also incorporate machine learning to benchmark predictive performance and complement the theory-driven models.

“*Beyond Index Insurance: Blending Indexed Financial Instruments for Smallholder Farmers in Developing Countries,*” with Michael Carter.

“*Incentive and Framing Effects on Collaboration Norms: Experimental Evidence from Participatory Rangeland Management in Kenya,*” with Muthoni Nganga, Mdoe Idi Jackson, and Travis Lybbert.

“*Experimental Assessment of the Collective Action Impacts of Participatory Rangeland Management in Baringo, Kenya,*” with Muthoni Nganga, Mdoe Idi Jackson, Eric Kioko, and Travis Lybbert.
